GET INTO THE HOLIDAYS WITH SPIRIT WEAR

BOOSTERS' SPIRIT WEAR SHOWS YOUR SCHOOL PRIDE

In the next few months, you may be racking your brain trying to think of an original gift. We are offering the perfect way to put a smile on the Athens' fan while celebrating the holiday season. Spirit wear offers a wide range of purchase options, including stadium chairs, jackets, hats and decals. For those who desire a more permanent way to show their school pride, consider a brick paver from Troy Athens High School. Always on display, the engraved bricks are installed near the south end of the high school stadium. For more information on sale items, go to <http://athensathleticboosters.org>.

Volunteers Needed!

When sports move indoors, so does the booster's concession stand. During the winter and spring sessions, concession volunteers are needed most. Just a couple hours helps so much. Sign-up at: <http://athensathleticboosters.org/sign-up>

COACH'S CORNER

In this issue, we spoke with Boys' Soccer Varsity Head Coach Todd Heugh.

>What are you looking forward to this season?

I am looking forward to working with talented athletes and the opportunity to compete.

> How have you prepared yourself and the team this year?

The team participated in a summer league hosted by Troy Athens and in captain's practices throughout the summer.

> What is your feeling about the competition?

The OAA Red is one of the best divisions of boys' soccer in the state.

>What is the most important team tradition you perform?

Athens soccer players are asked how they will leave their mark on the program.

>What keeps you motivated?

Working with our athletes keeps me motivated. I enjoy all practices and all games.

> What is the best way parents can support their student athlete?

Cheering for their child, team and participating in the Boosters is a great way to support your student athlete.
