April 2016

It's Election Season

The April 11th meeting of the boosters (delayed one week because of spring break) will include board position nominations. Please come to the meeting at 7 p.m. in the TACC and be a part of the process to nominate a president, vice-president, treasurer, secretary and one of four trustees. The election will take place at May's meeting.

2016 Meeting Dates

>APRIL 11

>MAY 2

>JUNE 6

Held in the TACC @ 7 pm

The Boosters are... comprised of parents with student athletes.

It is really that simple. From running the concession stand to running the monthly meeting, it is all parents. The faces change and the students graduate moving on to successful lives, but the one thing that never falters is the dedication of the members working to create a supportive environment where student athletes and their families are encouraged to strive for a well-rounded educational experience.

REMINDER TO COACHES AND PARENTS: Now is the time to start planning for next year's season. Preparing the booster budget will be taking place in the next few months. If you anticipate needing additional funds for your sport, fill out the form at our website and follow the instruction to submit it.

COACH'S CORNER

In this issue, we hear from the girls' varsity softball coach, Kerry Brennan.

>What are you looking forward to this season?

I cannot wait to get started. We have so much talent in the program. This season marks my first as head coach, and I am so excited to be here. I feel so lucky to be able to teach and coach in the same district – it is what I have always wanted to do.

>How have you prepared yourself and the team this year?

Our softball program has great leadership, and our girls are truly dedicated to the sport. Our student-athletes have been conditioning and most of them continue to play softball off-season as well. Our mentality, as a program, is to compete in everything we do, especially in practice.

>What is the best way parents can support their student athlete?

We love having family out to our games to support the girls! The best thing parents can do after a game is give their daughter a big old hug and let her know how proud they are, regardless of the final score.
