May 2016

## Gone but not forgotten...

This month, we say goodbye to our senior student athletes. Now you have a chance to make your students' memories a part of Troy Athens' by participating in the Athletic Boosters' Brick Paver program. By placing an order for a paver, you will give the recipient a special and

unique gift to honor the student's time at high school. Each paver provides a lasting gift, a literal touchstone of cherished moments.

The pavers are installed

near the south end of the high school stadium. For more information: [athensathleticboosters.com](http://athensathleticboosters.com).

### Items of note

**Concessions** – During May, please think about volunteering and start earning points for next year: <http://athensathleticboosters.org/sign-up>.

**Survey** -The Boosters' Executive Board has developed a survey to find out how we can serve the membership better. Please add your voice: <https://memberplanet.com/s/taab/troyathensathleticboosterswantsyour>

### 2016 Meeting Dates

>May 2

>June 6

Held in the TACC @ 7 pm

## COACH'S CORNER

In this issue, we hear from the varsity boys' track coach, Thomas Cook.

### >What are you looking forward to this season?

We are looking forward to being in a new league and working with athletes who are driven to reach their full potential.

### >How have you prepared yourself and the team this year?

We have been preparing with off-season workouts including more weight training.

### >What keeps you motivated?

Knowing that I get to work with the best group of kids in the state. Win or lose, the team is there for each other.

### >Is there anyone/anything new in the coaching staff?

This year, we welcome Mark Hayes. He will be working with our sprinters.

### >What is the best way parents can support their student athlete?

The guys love it when parents attend meets. Even when parents can't make it, they can still stay connected. We post results online as soon as the guys finish an event. Parents can then congratulate their athlete on a job well done!
