Underclassman Enrichment Grant Eligibility Requirements

The underclassman enrichment grant is for student athletes seeking to improve their athletic abilities. Reimbursed grant funds can be used for:

Student athletes and their families must meet the following eligibility requirements to be considered for a grant:

2. Application forms may be downloaded on the Troy Athens Athletics Booster website at: www.athensathleticboosters.org.
3. The current underclassman grant, awards up to \$175 in ONE check to be reimbursed with receipts for costs associated with pay-to-participate, athletic training programs/camps or travel league fees.

5. The student must have earned a minimum of a 2.0 cumulative GPA. The counseling center will verify a student's GPA.
6. To qualify for an underclassman enrichment grant, a Booster family must accumulate a minimum of eight (8) points by the deadline on the application. As a Booster member in good standing, family members who may earn volunteer points for the applicant are defined as parents/guardians, AHS student athletes and/or siblings who are high school age or older. Points must remain in a family and siblings who are in middle school are not eligible to earn points until after spring break of their 8th grade year.
7. Points begin accumulating from the April TAAB membership meeting/spring break each year.
 - ❖ Sign in sheets are posted at each event and it is the volunteer's responsibility to neatly sign in to receive any credit. The Grant and Scholarship committee makes every attempt to track volunteer points earned, however, it is strongly recommended that families keep their own logs as well.
 - ❖ Parents/guardians, AHS student athletes and/or siblings who are high school age or older will earn one (1) point per person, per full event shift.

- ❖ A parent's earned point can only be designated to one (1) AHS student athlete per event.
 - ❖ Only family members living in the same household with a PAID membership can earn points for a student athlete. (parents/guardians, AHS student athletes and/or siblings who are high school age or older)
 - ❖ Points cannot be transferred or utilized by another family.
8. A parent or guardian must attend at least two complete TAAB membership meetings between August and April.
- ❖ A parent or guardian must neatly sign in at TAAB membership meetings to verify their attendance.
 - ❖ For purposes of the senior scholarship, there is a two meeting per year requirement for both the applicant's junior and senior years.
 - ❖ Most meetings are held the first Monday of the month at 7:00 pm in the TAAC room, located in the front of the school. Meeting dates are posted on the Booster website for reference. (Exceptions are made for school closings and school vacations. In that case, the monthly meeting will be held the second Monday of the month.)
9. **Lead grant opportunity:** Members who receive ServSafe and concession lead training are eligible to lead concession stand events and earn points which may qualify them for a lead grant. Members who complete the 8 points needed for an undergraduate grant may continue to volunteer as a concession lead to earn an additional 8 lead points and qualify for a lead grant of up to \$175. Lead training is held periodically throughout the school year. Contact the concession manager or a board member to find out times and locations for lead training. The minimum of 8 points required for a lead grant must be earned during a single Booster year. Lead grants can be redeemed by submitting a qualifying receipt for an active AHS student in the family during the grant window.
10. Applications must be submitted to Raquel Schriber at taab.grants@gmail.com or during a Booster meeting prior to the deadline on the application form.
- ❖ Families receiving grants will be notified by email. Grants must be spent on pay-to-participate/ sports camps/athletic training/travel league fees that occur within the dates of the grant award season (June 1st - April of the following year).
11. Families must submit a paid receipt to the scholarship chairperson by mail, email or in person for the pay-to-participate/sports camps/athletic training/travel league fees to receive the reimbursed grant check.
